Drs. Piade, Reif, Rustemeier, and Reininghaus,

The preliminary report from the Sterling group is available. It will be or has been sent to you. If you do not receive this report please contact me. I would like to get your comments on this preliminary report if you feel it is warranted. The draft final report should be available in July. The report from the Cassidy group should be delivered to us fairly soon.

Thank you for your help with this project.

Best regards,
George Patskan
